Voluntary participation

Participation in the survey is voluntary for you. You have the option to cancel the survey at any time by closing the browser window. The answers provided so far will be deleted.

Anonymous participation

Your participation in the survey is generally anonymous. At the end of the survey you will be asked for personal information in order to participate in the competition. The personal data is separated from the survey data. Merging the data is no longer possible.

IP address encryption

To prevent multiple participation in the survey, an IP block must be activated. In order to enable IP blocking, your IP address is read and only stored in a non-reverse hash on the survey server after automatic encryption. This means that your IP address is never readable. Once the survey is finished, the hash is deleted.

Cookies

Cookies are small text files that are set in your browser when you access the survey. Using these cookies, the survey system can recognize whether you have already completed the survey and assign you the answers you have already given (interrupt & continue a survey). The use of cookies can also prevent multiple participation. The cookie is automatically deleted after 90 days, or if the survey is deleted prematurely.

Location of data storage

Your answers and data will be stored in accordance with applicable data protection regulations.

took place in Germany.

Your rights
